Celebrating 25 years partnership with

Sport

Advanced Sports Taping

Gain hands on experience of advanced taping/strapping techniques from some of the leading physiotherapists and taping experts working in Australian sport. This course builds on the basic taping skills learnt in the Level 1 Sports Trainer course. It is recommended that all participants have completed a Level 1 Sports Trainer course prior to attending.

Spinal Injury Management

This course will teach the acute management of spinal injuries. Experts in the field will cover the following topics in a theoretical and practical setting:

- Background to spinal cord injury
- Treatment of spinal cord injury
- Transporting the spinal patient
- Spinal transport equipment

Introductory Sports Massage

This course provides an introduction to the theory and practical application of sports and remedial massage. The course covers:

- The benefits of massage and different massage techniques
- The benefits of massage in athletic preparation and recovery
- Injury management and rehabilitation

For further information regarding any of the Level 2 Sports Trainer courses please contact SMA on phone 03 9674 8777 or email ssp@vic.sma.org.au
